CIVIL ACTION # : AW-07-339

"" Motion to Enforce the U.S. CFTC Judgment Award
By Federal District Court ""

HSUE TUNG, Plaintiff in receiving the "Order" dated March 13, 2007
of the Honorable Judge Alexander Williams, Jr, herewith enter to cl
arify

and respectfully seek the Honorable Court's assistance to complete
for Enforcement of the CFTC Award described in the previous Motion

Attached is a copy statement (which was submitted in Feb.8, 2007.)
instructed by Tempest S. Thomas, Prodeedings Clerk of U.S. CFTC.
To further clarify, the statement described that " If the complainant
nt

wants to collect the award and the respondent refuses to pay, the
winning party may request a certified decision package from the Of
fice

of Proceedings which must be taken to federal district court for
enforcement of the award as provided by Section 14(d) of the Commo
dity
Exchange Act.

Therefore, HSUE TUNG's previous Motion was not a nature of "Compla
in"
but seeked the Honorable Court to proceed the Enforcement of CFTC
Judgment Award.

The relief I want the Court to order is:

1. Judgment Award of \$3,390 plus prejudgment interest compoun
ded
annually at the rate of 4.97% from March 7, 2001 to the d

ate

- of payment.
- 2. CFTC filling fees of \$125 plus \$50.
- 3. 15% of Attorney service and collection fees
- 4. U.S. District Court filing fees of \$350 if required to be reimbursed.

Respectfully Submitted
